

Clear & SIMPLE™ 2007

We are thrilled that you want to use the Clear & SIMPLE™ Systems in your materials, website, and other areas. Because of our copyright protection, we would ask that you use the following guidelines when referring to any of our materials or systems.

The credential of Clear & SIMPLE Certified™ authorizes you to use the C&S Systems "one-on-one" with your client for a full year. It does not give you legal authorization to teach or train the systems. This requires being trained as a "trainer of the systems" and is a separate service mark.

Any and Every time SEE IT, MAP IT, DO IT© or S.T.A.C.K.S© are used (and especially on a website or printed materials, including Power Point) put the copyright symbol after them – then at the bottom of the piece of information place the following:

Simple version:

SEE IT, MAP IT, DO IT© and S.T.A.C.K.S© are the legal copyright of Clear & SIMPLE, Inc. All Rights Reserved.

or

Longer Version:

SEE IT, MAP IT, DO IT© and S.T.A.C.K.S© are the legal copyright of Clear & SIMPLE, Inc. and may not be used without written consent from Clear & SIMPLE.

If you have any further questions on how to apply this guideline to one of your creations or to get written approval, please contact Clear & SIMPLE at 801-463-9090 or write info@clearsimple.com

Thank you in advance for honoring Clear & SIMPLE's Intellectual Property.
